

Visit to Joint Institute for Nuclear Research (JINR)

Dear participants of IRaP 2018!

We are pleased to inform you that the visit to Joint Institute for Nuclear Research (JINR) located in Dubna (Moscow Region) will be organized as an option for the IRaP participants **on August 31**. The visit is preliminarily scheduled **from 9.00 to 15.00**. There will be no regular scientific sessions of the Symposium on August 31.

Please note that the group size for this visit is limited to 20-25 participants. We kindly ask the participants interested in this event **to register not later than August 10 by sending e-mail indicating the name of participant and passport number to irap2018@rad.chem.msu.ru**
